

Science fiction lover Allie (Lisa MacBurnie) seems to be enjoying her time aboard the spaceship Orion as crew members Leah (Shannon Fielding) and Durell (John Harrington) look on nervously. The hilarious dinner theatre script was written by Shannon Fielding and presented by Village Follies at the Debert Hospitality Centre. (Harrington Photo)

Sherry (Anne Forbes) and Captain Roger Caldwell (Paul Gamble) danced into each others arms as the plot of the Village Follies dinner theatre unfolded. (Harrington Photo)

Nicole Smith (centre) said she was helping to clean up along Hwy#2 in Great Village because she wanted to do her part to make a healthier environment. Several crews from the Great Village School Association were observed filling bags with roadside refuse on May 9th. Working alongside Nicole was her father Ron Smith(left) and sister Kathleen(right). They had already filled seven bags by mid morning. (Harrington Photo)

Harold (Ralph Bastarache) and Madge (Lynn Macpherson) think they made a wrong turn in Albuquerque but instead they have been beamed-up aboard the spaceship Orion at the Village Follies Dinner Theatre. (Harrington Photo)

Lucy (Angela Saunders) tries to get a very blue Switz (Malcolm Macpherson) to relax a little and maybe start feeling groovy. Village Follies presented five nights of dinner theatre at the Debert Hospitality Centre recently. (Harrington Photo)

Great Village Community Association sponsors Healthy Green Day

Deborah Searle, Municipality of Colchester Environmental Education Officer, had plenty of information to share with those attending Healthy Green Day in Great Village on May 9th. The fashion items Deborah is holding were all made from recycled materials. The belt is made from pop can tabs, the purse from empty juice packages and she even had a skipping rope made from denim jeans. Heather MacKay and the Great Village Community Association put many hours of work into hosting this informative day for the community. (Harrington Photo)

The Great Village Community Association sponsored Healthy Green Day on May 9th with several guest speakers and a variety of environmentally friendly displays. Colleen McKinley was anxious to tell consumers about a new brand of natural all purpose cleaners that are produced in Digby. (Harrington Photo)
