## Early May

The snow has gone at last  
Thanks to the April showers  
They brought us spring again  
With all the springtime flowers.

The Crocus and the daffodils  
Nod their lovely heads  
To show their pretty colours  
In their special garden beds

The grass grows green upon the lawn  
To frame the early beauty  
An interesting spring time sight  
But mowing it's a duty.
