Camp Pagweak is Still Going & Growing after 65 Years!

By Ruth Rushton

Camp Pagweak and the Village of Pugwash have been together for 65 years! It is nothing new to hear children's laughter and shouts coming from across the harbour and into the village on a hot, summer's afternoon! It's remarkable to note just how many people have attended Camp Pagweak since it started in 1944!

This Camp is owned by the Atlantic Convention Baptist Churches of Cumberland, Colchester & Pictou Counties. Located on 18½ acres of scenic, ocean-front property on Route 6 just outside the Village of Pugwash on the Sunrise Trail, its purpose is to give young people an opportunity to experience God's love by having a personal relationship with Jesus Christ.

Camp Pagweak has taken on a strong spiritual focus while providing a fun time for children of all ages! This year Camp Pagweak is offering 8 weeks of camping under the leadership of Jason Burke. Many volunteers join the staff at the Camp to make each week a special time.

From June 29th to Aug. 22nd, camps include Music, Crafts, Sports, a Family Camp, a Leadership Camp, Variety and a Teen Blast Camp. Younger campers ages 6 - 9 can participate in Day Camp.

There is something for every age group, all centered on experiencing God's love. This year we have undertaken a huge, new wash house project, a new cabin, a new basketball court, we will be purchasing a new commercial dishwasher and we are very proud of the Pagweak Chapel. Wow! We are growing... and growing.

Many children never have the opportunity of attending Camp, but you can make this happen! Churches of all denominations, community organizations and individuals sponsor children each year to attend Camp Pagweak - what a gift! And guess what! These children keep coming back year after year. Last year 124 children were sponsored by various organizations and individuals. Kids can't wait to return to Camp Pagweak to play Capture the Flag, participate in water games, enjoy hay rides, the ropes course, paintball or get re-acquainted with Ed's Alley! Nutritious meals, campfires and beach scavenger hunts are also a big part of Camp.

Most of the camps are expected to fill up quickly, so be sure to get your registration in early!

Onslow Belmont Notes

By Debbie Weatherby

Looks like spring has finally arrived, grass is greener, flowers are blooming, chickadees are back, and the hummingbirds are fighting over the feeders. Temp is a bit on the cool side at times but getting warmer and the fresh smell of newly mown lawns is in the air too.

We have a new baby bull and one more on the way. Not sure when the next one will appear. The little guy is the same color as his mama and cute as a button.

Hard to believe that school will soon be over once again for another year. Seems as though they just got back and now they are all talking about summer vacation.

Congratulations to Macquel Weatherbee and

Shannon Scott on the arrival of their baby boy 8 lbs. 8 ozs. on April 14, 2009; To Tara Collins and Keith Surette on the arrival of their baby boy 9 lbs. 1 oz. on April 16, 2009.
